

# BUILDING HIGH-PERFORMANCE TEAMS

IMPROVING LEADERSHIP, CULTURE & ENGAGEMENT

## Leadership Speaker Brent Gleeson

Brent Gleeson is a Navy SEAL combat veteran with combat tours to Iraq and Africa. Upon leaving SEAL Team 5, Brent turned his discipline and battlefield lessons to the world of business and has become an award-winning entrepreneur, bestselling author, and acclaimed speaker and consultant on topics ranging from leadership and building high-performance teams to culture and organizational transformation.

Brent is the Founder and CEO of TakingPoint Leadership, a progressive leadership and organizational development consulting firm with a focus on business transformation and building high-performance cultures. Brent was named a Top 10 CEO by Entrepreneur Magazine in 2013.

Brent holds degrees in finance and economics from Southern Methodist University, certificates in English and History from Oxford University in England and a graduate business degree from the University of San Diego. He is the bestselling author of TakingPoint: A Navy SEAL's 10 Fail-Safe Principles for Leading Through Change, which was a #1 New Release on Amazon in Organizational Change and Business Structural Adjustment. Brent's latest book, Embrace the Suck: The Navy SEAL Way to an Extraordinary Life was #1 on Amazon in the self-help, self-esteem, and military leadership categories.

## What Does Brent Talk About?

As a Navy SEAL combat veteran, Brent has insight into how the most elite teams operate. He's taken principles learned in SEAL training, combat and his experience as a business owner and developed a culture-driven approach to leadership, change management, and business transformation. Brent shares his unique methods and easy-to-implement strategies through his ten-step program for building and maintaining high-performance teams by helping companies align their mission and goals with desired business results. He gives leaders and managers actionable insights and a framework for successful execution with a strong emphasis on communication, culture, engagement, accountability, trust, and resiliency.
